

Let us help create your private world

ALDEN LEEDS, INC. *Private Label Specialists*

If you want the privacy and advertising appeal that only a private label chemical line can provide, call us. We do it all from custom layout and custom design to custom copy writing and custom sizing. Whether you want a limited line of the top selling chemicals or a full line for your store, Alden Leeds Inc. is equipped to handle the job. We have been satisfying customers with their private brands for more than 40 years. Ask your sales representative to help you design a line today.
